ANTHONY MARTIN

PUSH AND PULL

ANTHONY MARTIN

PUSH AND PULL

Tied up and shoved to
the end of the line
It's fight or flight
Searching for the light
inside the night
Time passes by

ANTHONY MARTIN

PUSH AND PULL

Stuck in the cold
I can't control

Push and pull
Push and pull
Push and pull
Push and pull

ANTHONY MARTIN

PUSH AND PULL

This must be some
kind of double sight
A new state of mind
Our fates are
intertwined
Between death and life

ANTHONY MARTIN

PUSH AND PULL

Take it nice and slow
Mama watch me go

Push and pull
Push and pull
Push and pull
Push and pull

ANTHONY MARTIN

PUSH AND PULL

Take it nice and slow
Mama watch me go

Push and pull
Push and pull
Push and pull
Push and pull

New Days

I am always here

ANTHONY MARTIN

New Days

I am always here

It's kinda funny how time
flies by
A man has nowhere left to
hide
Going backwards through
boundaries in time
If you take small steps you
can see the light

ANTHONY MARTIN

New Days

I am always here

What you thought always
mattered to me
Even though we didn't
always agree
But now it's morning and
I have to leave
Until the next time we
meet

ANTHONY MARTIN

New Days

I am always here

Try to find myself again
Last time I wasn't sure
to what end
I'll always try to do my
best like you said
But you make it seem
so easy

ANTHONY MARTIN

New Days

I am always here

I'm always here
Even if I disappear for
years
You need to go off into
new days
In my heart you will
stay

ANTHONY MARTIN

New Days

I am always here

Try to find myself again
Last time I wasn't sure
to what end
I'll always try to do my
best like you said
But you make it seem
so easy

ANTHONY MARTIN

New Days

I am always here

Try to find myself again
Last time I wasn't sure

I'll always try to do my

Even if I disappear for

Going Away

ANTHONY MARTIN

Going Away

Gone away from a
young age to a far
away place I loved and
stayed....I stayed
For some time I settled
in my life finally
started to begin.... begin

ANTHONY MARTIN

Going Away

What do you mean we
are going away?
At the very least do I
have a say?

ANTHONY MARTIN

Going Away

I won't get on another plane
The life of change is so
insane and who
Is to blame?
Complain complain the days
away
I've come and gone through
all the changes I took
with pride...with pride

ANTHONY MARTIN

Going Away

I can't keep up with the pace
of life

why am I always behind the
times...the times

Pills can help with anxiety

What good are they in
control of me?

ANTHONY MARTIN

Going Away

A passport is only
a document

What do I do with
this restlessness?

ANTHONY MARTIN

Going Away

I won't get on another plane
The life of change is so
insane and who
Is to blame?
Complain complain the days
away
I've come and gone through
all the changes I took
with pride...with pride

ANTHONY MARTIN

Going Away

When your house is
not your home
And you can't stand to
be alone
And you want
someone to hold....

ANTHONY MARTIN

Going Away

I won't get on another plane
The life of change is so
insane and who
Is to blame?
Complain complain the days
away
I've come and gone through
all the changes I took
with pride...with pride

ANTHONY MARTIN

Going Away

Oh with pride....with
pride

I took with pride
And I'll survive...

and I've survived
Just walking that line
My oh my

ANTHONY MARTIN

Going Away

ANTHONY MARTIN

LET IT GO

ANTHONY MARTIN

LET IT GO

I am a pawn in this game
A lie made from guilt and
shame

Everyday I get up and
walk on that stage

Begging for my life and
my face

ANTHONY MARTIN

LET IT GO

I try to find a place to hide
To turn back these eyes
and live in time

Can I always steal what
is not mine?

My voice is he real in my
mind?

ANTHONY MARTIN

LET IT GO

Let it go

Let it go

Let it go it's just for show

Let it go

To be me to be free

It's all I wanted to be

To be me

ANTHONY MARTIN

LET IT GO

How can I make you
believe

That somehow all this
wasn't meant to be
My destiny is sealed in
this fate

I thank God it's not too
late

ANTHONY MARTIN

LET IT GO

Let it go

Let it go

Let it go it's just for show

Let it go

To be me to be free

It's all I wanted to be

To be me

ANTHONY MARTIN

LET IT GO

Let it go

Let it go

Let it go it's just for show

Let it go

To be me to be free

It's all I wanted to be

To be me

ANTHONY MARTIN

BENDED KNEE

ANTHONY MARTIN

I'm lost in my soul
I'm lost in my soul
I'm lost in my soul oh
Lord
I've got nowhere to go

BENDED KNEE

ANTHONY MARTIN

I'm down on bended knee
I'm down on bended knee
I'm down on bended knee
oh Lord
If I could stand I'd be free

BENDED KNEE

ANTHONY MARTIN

If I could only see
The road in front of me
Allow myself to breathe
And stand up on my feet

BENDED KNEE

ANTHONY MARTIN

If I could only see
The road in front of me
Allow myself to breathe
And stand up on my feet

BENDED KNEE

Human

Decency

ANTHONY MARTIN

Human

Decency

Can you hear the sound of
my heart beating?

And if you could would you
even try?

And who knows what I'll be
facing?

As I look up at an empty
skyline?

ANTHONY MARTIN

Human

Decency

When I've got nowhere to go
And you know I can't go home
Don't believe what you've
been told

Don't just assume
I tell the truth
I'm telling you

ANTHONY MARTIN

Human

Decency

If I could tell you how it
was there

I'd show you who I've
become

Why not treat me with
human decency

Rather than a threat to
society?

ANTHONY MARTIN

Human

Decency

With every step I take
The sacrifices I've made
Is that too much on your
plate
For you, oh you, what to
do?

ANTHONY MARTIN

Human

Decency

And please give me a
chance

I'm a hard working man

I'll go anywhere I can

If that makes sense to
you

You know what to do
